representative has a vote on the board of directors along with the elective members of the board. It is rather important that these Chapter representatives attend these board meetings as this is where the policies of the AHS are formulated.

At the last board meeting there were several steps taken that should effect all of the chapters and members of the AHS. It has been felt that something should be done about the judges qualifications and the judging rules for the shows. A good discussion was held and a committee appointed to work on this problem in an effort to come up with a workable plan. Mr. Herb Gilliard, 2923 E. Central Avenue, Orlando, Fla., was appointed chairman with Mr. Barling, Mr. Parnell, Mrs. Mabel White, and Mrs. Goodman to serve with him. Mr. Gilliard has asked that all who will, write him their ideas on the subject. Both of the method of qualifying Junior and Senior Judges, training of same assigning them to shows and the basic judging rules. In other words just drop Herb a note letting him know what you think should be done. The committee will then take these ideas and work from there.

The traveling trophy awarded at the Annual Meeting was also brought up and the matter was returned to the original committee consisting of Mr. Monroe, chairman Mr. Gilliard, Mr. Parnell, Mrs. Wylie, Mrs. White and Mrs. Goodman and Mr. Vires to see if a more fair set of rules could be worked out.

Please try to come to the next board meeting.
